GREETINGS TO OUR FAMILY, FRIENDS & PARTNERS!

Evie & I hope ya'll had a very blessed Thanksgiving, giving praise to our heavenly Father for all things -- great & small -- because He has favored us with so much. As autumn passes, the winter brings its sting and we become busy with Christmas readiness again! After last year's Covid Christmas, BOY, we're ready to celebrate-- aren't you? Let's prepare our thirsty souls for Christ-centered celebrations. Jesus deserves all our praise and glory for His humble birth that silent and holy night. Thank you, sweet Jesus!

Well, my trip to the East coast was very successful! The Lord graced me with so many blessings. First, the seminar at Albion Nazarene Church in PA was effective. Pastor Oates was very grateful; he felt his people really grasped the meaning behind Biblical financial stewardship. While in Pennsylvania, I attended my previous church service and spoke to

so many "old friends." I was also housed for a few days by one of DFIC's Board members and met with a Ministry partner who also drove me to the airport for my trip home. Meeting other Ministry partners in PA was such a delight. Indeed, I still miss those brothers & sisters in Christ.

Next blessed stop--New York! My sermon at The Way Church in Plattekill, NY, was also fruitful. Pastor Robles continues to use "Big Red" (my old truck I donated) delivering weekly food supplies to its community. Jesus is surely smiling! I also had the chance to see one of my Ministry's Board members and close buddy who has been battling cancer. I found him in good spirits; we just received word of his complete recovery! Praise, praise God! I visited with other very close friends who also support DFIC. God's kindness and favor surrounded me. Hallelujah!

Another blessing awaited me as I crossed the border into New Jersey. I visited with another Pastor partner & special brother in the Lord who has been very ill, as well. It was another special visit as I prayed with him. Each precious gem I met with was a gift to me from God Almighty--DFIC was also blessed with extra donations and new Ministry partners. Our gratitude is awesomely overwhelming for precious and cherished friendships--past, present & new ones!! Thank You, Lord Jesus!!

As for "local news," acquiring Texas contacts has been quite problematic. It appears Dave Ramsey is fairly popular in this state. As for the smaller churches, they're still recovering from the pandemic and the Delta Variant. It also appears that many folks continue with virtual services. Please keep this in prayer. Our God is bigger than Texas -- dilemmas are His specialty!

"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up".

Galatians 6:9

May you have a holy, sacred Christmas as you ponder His magnificence & worth to this Earth and the hope Baby Jesus brought to the world. God's peace to you & yours. Happy New Year Too!

TESTIMONY SPOTLIGHT!

When we met Pastor José, we were in great debt -- between credit cards, mortgage, student loans, and other bills. I met Pastor José at church and had known he had helped others, so we set up a meeting with him. The first meeting was overwhelming discussing all our debt, but Pastor José broke it down for us into easy steps. He also taught us to pray to God for help and HE did! We were able to pay off our credit cards, pay extra on our mortgage and student loans. We got rid of most of our bills as well! We now have an emergency fund, savings, and we're able to tithe regularly. Pastor José was a blessing to us. Without him, we don't know where we would be. Thanks, José!
